PROSPERMINDS · OPEN INVITATION · NOVEMBER 2026

Partner Ministry Programme 2027

Send a team, not one officer. An invitation to Ministries of Finance across Africa to train together through 2027.

Dear colleagues in Ministries of Finance and National Treasuries,

Governments hold more data than ever. Few finance teams have the time or tools to use it. One officer who attends a course comes back inspired, but one person rarely changes how a ministry works. A team that learns together, and keeps learning across the year, does.

That is why ProsperMinds is opening the Partner Ministry Programme 2027. It invites a small number of Ministries of Finance to send a team to all three of our 2027 PFM analytics programmes, on the same open terms for every ministry. PFM means public financial management. IPSAS are the global accounting rules for governments.

At a glance

What	A partnership that lets a Ministry of Finance send a team of officers to ProsperMinds' 2027 PFM analytics programmes.
Places	Up to 10 Partner Ministries across Africa, with no more than 2 from each region: North, West, Central, East and Southern Africa.
Events	Nairobi (26–30 April 2027), Cape Town (23–27 August 2027) and Mombasa (6–10 December 2027).
Team size	At least 4 officers for each event the ministry commits to.
Fee	USD 440 per officer, the early-bird rate, locked for every event in the ministry's commitment letter, whatever the registration date. The standard fee is USD 550.
Extra seat	One extra seat free for every 4 paid. For example, 4 paid places give a team of 5.
How to secure	A signed commitment letter or LPO (local purchase order) secures the place. Payment follows before each event, once approved.
Allocation	In the order signed commitment letters or LPOs arrive, until 31 January 2027. A waiting list follows.
Terms	Published openly and the same for every eligible ministry.

The three 2027 programmes

Programme	Dates	Place	What your team takes home
IPSAS and PFM Analytics Conference	26–30 April 2027	Nairobi, Kenya	How to trace each number back to its source, turn statements into simple dashboards and use AI safely. A working dashboard built in class and a monthly checklist that data and reports match.
Data Modelling in PFM and IPSAS Compliance Conference	23–27 August 2027	Cape Town, South Africa	How to build a simple data model for budgets, spending and assets, and set up IPSAS checks that run by themselves. A data model template and an IPSAS checklist tracker.
Christmas PFM School for Data Analytics and IPSAS	6–10 December 2027	Mombasa, Kenya	Data analytics and IPSAS for public finance teams. The full programme will be published in the 2027 calendar.

Every programme: in-person, led by our experts, with practice on real examples. Delegates receive a Certificate of Participation, CPD hours, practical tools for work and new contacts from across Africa. No data background is needed; we start with the basics and build up.

What a Partner Ministry receives

- **A locked rate.** USD 440 per officer for every event in your commitment letter, even if you register close to the event.
- **One extra seat for every 4 paid.** A larger team for the same budget.
- **Pay later.** Your signed commitment letter or LPO secures the place. ProsperMinds invoices each event separately, and payment is due before that event begins, once approved.
- **Free name changes.** A place can be transferred to another officer of the same ministry at no cost.
- **Recognition.** Your ministry is recognised as a ProsperMinds Partner Ministry 2027.
- **A results briefing.** After each event, a short briefing note for your Accountant-General or ministry leadership on what the team learned and what it plans to apply.

How places are allocated

- The programme is open to the Ministry of Finance or National Treasury of every African country, on the same published terms.
- There are up to 10 Partner Ministry places, with no more than 2 per region (North, West, Central, East and Southern Africa), so the programme stays truly pan-African.
- Places are allocated in the order ProsperMinds receives a signed commitment letter or LPO, until 31 January 2027.
- When a region's two places are taken, further ministries from that region join a waiting list and are offered any place that opens.

- Each event is committed and invoiced separately, so the programme fits budget years that start in January or July.
- All arrangements are made institution to institution, through official letters signed by an authorised officer, with invoices addressed to the ministry.

How to join

1. Send a commitment letter or LPO, signed by an authorised officer, to info@prosper-minds.com. Name the events you commit to and the number of officers for each (at least 4).
2. ProsperMinds confirms your Partner Ministry place, or your place on the waiting list, in writing.
3. Send your delegates' names at any time before each event. Name changes within the ministry are free.
4. ProsperMinds invoices each event separately. Pay before the event begins, once your approval is in place.

Worked example

Team	Partner Ministry cost	Standard fee
5 officers at one event (4 paid + 1 free)	USD 1,760 (USD 352 per officer)	USD 2,750
10 officers at one event (8 paid + 2 free)	USD 3,520	USD 5,500
5 officers at all three events	USD 5,280	USD 8,250

Standard fee shown at USD 550 per officer. Early-bird rates for other delegates depend on the registration date (see the FAQ).

Frequently asked questions

Do we have to commit to all three events?

We encourage it, because skills build from April to December. You may commit to one, two or all three. The locked rate applies to every event named in your letter, and each event is invoiced separately.

Can we pay later?

Yes. A signed commitment letter or LPO secures the place. Payment is due before each event begins, once approved.

What if our region's places are already taken?

You join the waiting list and are offered any place that opens. Your officers can still register at the published rates.

What do other delegates pay?

The standard fee is USD 550 per delegate. Delegates who register three months before an event pay USD 440, two months before USD 467.50, and one month before USD 495.

Is this offer the same for every ministry?

Yes. The terms are published openly and apply equally to every eligible Ministry of Finance or National Treasury.

Who should attend?

Government finance staff, including accountants, auditors, budget and treasury officers, finance heads and their teams.

Can we move a place to a later event?

Requests made in writing at least 30 days before an event will be considered for a later 2027 Partner event.
